The daylong scientific program (8 am - 5:30 pm) is focused on Very Brief Psychotherapy and offers tools all practitioners can use in even the briefest patient interactions.

Our presenter, James Gustafson, MD, is Professor of Psychiatry at the University of Wisconsin Medical School, Chief of the Brief Psychotherapy Clinic, and author of 11 books on this subject, including Very Brief Psychotherapy (Routledge, 2005), The Great Instrument of Orientation (2008), and Twenty-Four Theorems of the Topology of Captivity and Deliverance (2010).

**Recognition Dinner (5:30 - 9:00 pm)**

***The Changing Face of Psychiatry: The Next Generation of Psychiatrists***

Earn up to 1.0 AMA PRA Category 1 Credits™

We welcome special guest and keynote presenter, APA President Carol Bernstein, MD to our Annual Recognition Dinner (5:30 - 9:00 pm). Dr. Bernstein will present, The Changing Face of Medicine: The Next Generation of Psychiatrists. The Recognition Dinner is our Annual Awards Event, so join us and celebrate the outstanding contributions of MPS members and other community leaders.
